*New upgraded version 2.0*

## THE PATENTED COIN MECH FOR TABLE GAMES

Whether you're a classic arcade enthusiast or a forward-thinking operator, our SliderMech bridges the gap between tradition and innovation. The more robust SliderMech integrates with cash, coin, credit, the SmartMech, and the new MobileMech. Same great solution, better adaptability.

### ● 8 COIN SLOT CAPABILITY

Elevate your entertainment venues, arcades, and gaming spaces to the next level with our newly upgraded SliderMech to seamlessly accept all methods of payment, along with cashless game cards, on your beloved coin slider machines. Now, players can enjoy the nostalgic charm of coin-operated games while embracing the optional convenience of modern, cashless transactions.

### ● ELEVATE THE PLAYER EXPERIENCE

With SliderMech and the new MobileMech, players can enjoy the convenience of paying through their mobile devices to access multiple gameplay options. This convenience enhances the player experience and speeds up game transitions, keeping your tables busy and your profits rolling.

### ● INTEGRATED FOR MAXIMUM EFFICIENCY

SliderMech works in perfect harmony with the Amusement Connect platform. Paired with Paystation Wally XT, it forms an integrated system perfect and situated for bars and similar settings. This comprehensive solution simplifies operations, reduces costs, and streamlines management, giving you more time to focus on what matters most - your customers.

### ● A KEY TO NEW OPPORTUNITIES

The ground-breaking technology of SliderMech provides route operators with a powerful tool to break into new locations. Its innovative features and proven effectiveness make it an irresistible proposition for potential partners.
